The Display of PARIS MILLINERY Continues

We are told that we have never before had so fine a showing. The New Salons are, of course, more beautiful, and they were some incentive to bringing over the large number of beautiful hats that have caused so much delight.

Come and view these at your convenience.
Millinery Salon, Third floor, Stewart Building.

The Suit of VOILE Is THE Spring Gown for Women

Paris tells us so—each of the many reports recently received emphasizes the popularity of these sheer materials, even for tailor-made suits. Today American manufacturers are overwhelmed with orders for voiles—especially in the beautiful light shades that Spring demands.

But come and see the broad assortment that we present at the present time. Suits of plain voiles and beautifully embroidered voiles; in shades of gray, tan, russet, light blue and royal blue, also checks and black. These are made up with combinations of taffeta; some trimmed with wool embroidery, others braided and trimmed with applique of lace; made with Eton jackets, plaited or strapped. Some are made with the *panniere* shoulder draperies, finished with the pendant trimmings; others with the smart semi-fitting double-breasted coat, or the pony jacket, with the Gibson shoulder, finished with Renaissance lace collar. Prices, \$27.50, \$35, \$37.50, \$40, to \$115.

Deserving of special mention is a lot of Suits of silk-lined voile, in black, blue, gray, tan and brown, with plaited Eton jackets, trimmed with strapping of voile and taffeta silk, finished with silk tassel. Inlaid collar of lace, finished with row of velvet ribbon, braid and buttons. Elbow sleeves, plaited, finished with cuffs of lace to correspond with collar. Gored skirts, side-plaited in clusters over drop-skirt of taffeta silk, with deep shirred flounce. Price, \$38.

Third floor, Stewart Building.

Men's Derby Hats at \$1.85

About two hundred and fifty new Black Derbies, made up in the correct Spring shapes, and in a full assortment of sizes, from 6½ to 7½. They come from one of the best manufacturers of our regular derbies, but the bodies were not considered up to the standard of this maker's regular hats sold at \$3.50 and more. The value is rather remarkable at \$1.85 each.

Main floor, Wanamaker Building.

\$1.50 and \$2 Shirts at \$1

High-class Shirts from one of the best shirt makers in the country. Made of woven and printed madras, in refined patterns. Some of the shirts have stiff bosoms, others being in negligee styles with plaited bosoms. Cuffs attached or separate. Sizes 14 to 17, \$1 each.

Main floor, Wanamaker Building.

Men's Collars Six for 50c

Today we present another opportunity for men to secure these excellent Collars at this low price. These same goods, under another name, are sold regularly at \$1.50 a dozen. Today we have ready ample supplies in the best styles of lock front, wing, straight standing and lay down collars, in a full range of sizes. Sold only in lots of a half dozen or more, Six for 50c.

Main floor, Fourth avenue, Wanamaker Building.

Spring Suits for Boys

Handsome new combination suits, including Norfolk or double-breasted jackets and two pairs of knickerbocker trousers, made of handsome mixed chevrons, in sizes for 8 to 16 years, at \$7.50 a suit, which would be excellent value for the same suits without the extra trousers.

We also show today a new group of Spring Suits for Boys who wear long trousers. They are made of handsome mixed chevrons, in sizes for 13 to 17 years. They are especially designed for boys who are just stepping from knee trousers into those of full length.

Jacket, vest and trousers, \$9.50, \$10.50 and \$11.50 a suit.

Main floor, Wanamaker Building.

"Running an Account" That Never Runs One Into Debt.

For the convenience of patrons who like to have their purchases "charged" we inaugurated our

DEPOSITORS' ACCOUNT SYSTEM.

TODAY thousands of Macy patrons enjoy its advantages. This Depositors' Account plan is ideally simple and ideally satisfactory. You merely deposit a sum of money in the department on the Balcony—a sum great or small, as you elect—then have "charged" to this deposit any purchases you make in the Macy store.

We render monthly statements and allow 4% interest, compounded every three months, on your daily balance.

While a deposit cannot be checked against for expenditures made outside of the store—as we do no banking business—any or all of it may be withdrawn at any time.

This unique plan affords every CONVENIENCE of an ordinary "charge" account in a credit store and every ECONOMY of Macy's STRICTLY CASH system.
